

# Greenfield-Central Athletic Participation Forms Online

Greenfield-Central has moved to an online forum for registering your student to participate in athletics/extra-curricular events.

All students must still turn in the physical form signed by a physician to the school they will be attending next year. Please put the grade your student will be in next year on the physical. All other forms are to be filled out online. Please visit: <https://greenfield-central.rankonesport.com> to access the forms. The forms are located under the Electronic Participation Forms tab.

You will need to have your Student ID Number in order to complete the form. There are three forms listed on the website: (you will only need to complete **ONE** form based on your student's school/activity level)

- 1) Greenfield Central High School Online Signature Form (High School athletes)
- 2) Greenfield-Central Junior High School Online Signature Form (Jr. High School athletes)
- 3) Greenfield-Central High School ECA Online Signature Form (for those **not** in athletics, but involved in Band or any other Extra-Curricular Activity)

Please complete the correct form for your student's activity. Again, you will only need to complete one form. (Ignore the arrow indicating additional forms are to be completed). Once you've completed the form, you will receive an email confirming the form has been received and accepted. You do not need to contact the office for confirmation. Once the form has been submitted and the physical is turned in to the athletic department office of the school your student will be attending next year, you will be finished with paperwork!

Activity/Transportation fees will need to be made to the Athletic Department office where your student will attend next year and academic eligibility will need to be determined by the respective athletic offices in order to complete the full eligibility process.

Thank you for taking part in our new system of online athlete paperwork management!
