Learn to Lead

Lead to Learn

MISSION

- To nurture leadership skills by cultivating both present and future leaders.
- To develop a diversified leadership base for the school.
- To educate students in effective leadership skills.
- To motivate individuals to reach their potential.
- To create a strong leadership environment for students and staff.

GOALS

- Increase spirit, enjoyment and involvement of leaders in various school programs.
- Encourage leaders to become role models.
- Assist leaders with developing methods of effectively leading school and community organizations.
- Provide service opportunities within the school and community .
- Promote teamwork within different organizations at school and community.

TEAM PROJECTS

Student Leadership Academy members participate in several activities that help enhance leadership and team building skills.

Community Service

- Each Team conducts a community service project during the school year. Up to two hours can be counted for community service hours per individual.
- Half of the service hours are due by the December meeting , the other half by the April meeting.
- Members may also do some school service hours for community service.

Membership

- Students complete an application for membership in SLA .
- The Academy's Executive Board consist of student members, faculty members, and the principal.
- Students selected by the Board for membership pay \$35 fee includes
- Third and fourth year members are eligible to apply for Leaders to Go, LTG members conduct community workshops in leadership and are the instructors for our freshmen leadership program" Pathfinders."
