Dear Parents and the Members of the Class of 2018:

**Congratulations Class of 2018!** High school is full of moments that matter; a first dance, a first car, a first concert. These are memories that last for a lifetime – they're opportunities to discover who you are and who you want to become.

That is why we have chosen the professional photography company, **Prestige Portraits**, as the official senior portrait photographer for our school. They capture this once-in-a-lifetime accomplishment of every senior, and do it in the sophisticated and personalized way each graduate and family deserves. Because by honoring your achievements, they invest in your bright future.

A few things you need to know in regards to your senior portraits.

- 1. Prestige Portraits is a professional photography studio. You are required to have your yearbook poses taken with them for the yearbook, but they also offer many sessions that include the ability to use props, outfit changes, indoor and outdoor sessions at the school. Visit their website at [www.prestigeportraits.com](http://www.prestigeportraits.com) for more information. Prestige will be at the school this summer. **Watch for your appointment postcard which will contain your appointment date and time for this summer. Please be sure to keep this appointment to receive the best selection of outfits and poses. If by chance you need to reschedule the time of your appointment, you can go to [www.schedule.prestigeportraits.com](http://www.schedule.prestigeportraits.com) to select a new date and time.****

**Important Note:** You will need the access code that you receive on your original appointment card.

- 2. There is a \$10 charge for a one outfit Standard Session. This is a \$5 savings. All the sessions include yearbook poses. Take advantage of the "Summer Specials" Prestige offers when you are photographed at the school on your pre-assigned appointment date and time.**
