Insurance (*the insured 11" Macbook Air will be referred to as "Device" or "device" or "devices" below*)

- I/we understand that any repair costs of devices not covered under this Insurance must be paid by the Student/Parent/Guardian.
- I/we understand that a new Insurance agreement must be purchased for each device assigned to a household and that a new agreement must be purchased each school year.
- I/we understand unused Insurance coverage *does not* roll over to the next school year; nor is unused insurance reimbursed.
- I/we understand that purchased Insurance coverage only applies to the device linked to this agreement and cannot be used as coverage if the student is held responsible for damaging someone else's device.
- Insurance may be purchased from the school's office for \$50 with a \$40 deductible.

Insurance Coverage:

- Device breakage not resulting from misuse or intentional damage.
- Device loss after an administrator, the Technology Department, and proper authority channels have been contacted and a police report has been filed and certified as factual.
- Only the assigned device and charger are covered by this Insurance agreement, the case provided to the student by the school is not.
- There is a maximum coverage of \$800 per insurance agreement per school year.
 - If repair costs meet the maximum coverage on the first covered incident, the student will be assigned a new device after the deductible has been paid.
 - If a student reaches the maximum covered amount, or an administrator/the technology department feels the device is being used inappropriately, he/she will be assigned a chromebook for the remainder of the school year.
