Student Registration Information for Greenfield-Central High School Students

July 9, 2018

Dear G-CHS Parent,

The faculty and staff are looking forward to another great year at Greenfield-Central High School. Please take the time to read this letter carefully as there are several important items that will help ensure a smooth start to the new school year for all of us!

The first day of school will be **Wednesday, Aug. 1**. All students are asked to report to the gym by 8:30 a.m. for an all-school program.

G-CHS Main Offices will be closed from June 29 at noon until July 18 at 8 a.m.

Registration/Student MacBook Distribution:

Students will again be assigned a MacBook this year as we continue Digital Learning. **Students will need to be registered in PowerSchool before coming in to pick up their MacBook at their assigned time. Online Registration will open in PowerSchool by noon, Monday, July 16, and this process must be done prior to your student's MacBook distribution.** It is important that you carefully check all areas of Online Registration to ensure your information is current for school use. If you are unable to register prior to your MacBook distribution date, parents may register at the beginning of the distribution process at GCHS in the Cougar Cafe. **Only parents of incoming freshmen and new students are required to attend MacBook distribution.** Students and parents are also welcome to tour the building after getting their MacBook. Locker and locker combination information is available in PowerSchool in the same window as your schedule. If you are unable to receive your MacBook on the assigned date, please contact Brent Oliver via email at boliver@gcsc.k12.in.us.

Information from the Counseling Office -- Student Naviance

The Greenfield-Central High School Counseling Office is happy to announce that G-CHS families will continue working with the Student Naviance program through Naviance during the 2018-19 school year. Student Naviance provides students and their families one place to go for all of their college and career planning, application and transcript processes, as well as scholarship information. We will be using it exclusively to track college applications for our seniors. It also allows us to target and message specific sets of students who may be eligible for specific programs and scholarships based on their interests and applications. All students and families will love how easy it is for our students to take career-interest and learning style assessments, as well as how to explore different colleges and career paths based on those results. We are excited to have this opportunity with all of our students and their families.

We will be demonstrating how to use the Student Naviance website throughout the school year beginning during our registration week. If you are interested in learning more about this program over the summer, however, please visit <https://www.naviance.com/solutions/parents-students>. **Also, it is very important that families have current emails in PowerSchool so the Student Naviance database is updated correctly and we can pull a family's correct email for our email blasts.**

School Year Student Drop-off/Pick-up Procedures

We will continue to use the same pick-up procedures that we used this past year:

- Broadway Main Entrance/East Lot
- Stadium/Cougar Drives/North Lot - Please pull up to the next available spot as cars move along the curb
- Cougar Court off Franklin/Fieldhouse Lot - Park along curb and not on the concrete sidewalks. Cars picking up students can also park in any unmarked parking space in this lot.

Important Items of Note:

Schedules will be official August 1, the first day of school. School Counselors will still make adjustments as needed to schedules until the first day of school. *Schedule changes will only be made if there was a mistake or if graduation requirements are affected.* Please contact the Counseling Office at jjones@gcsc.k12.in.us if this is the case. Please provide detailed information about your concerns.

Medical Information:

Students with medical conditions that require special medical attention must have an *Emergency Care Plan* on file with the school health assistant. Students requiring medication at school must have the proper paperwork on file along with the medication. These forms can be found at http://gchs.gcsc.k12.in.us/?page_id=11635. **Any medications, along with the Request and Authorization to Administer Medication form, should be brought to the school by the parent on the same day the parent and student attend MacBook distribution.**

All seniors must have a second meningitis vaccine and two Hepatitis A vaccines to be current on their immunizations. Please provide documentation of these vaccines to the school clinic. It is also recommended that seniors receive the meningococcal B vaccine. If you have not already provided documentation of this vaccine, you must do so prior to the first day of school.

Course Fees Information:

Billing statements will be mailed home after **August 22** due to scheduling changes after the beginning of school. All fees must be paid no later than **September 26**. Fees can be paid with cash, check, money order or by credit card using EZSchoolPay.com. Payments may be mailed or dropped off at the high school.
