*June 10, 2019/July 8, 2019*

Dear GCHS Parent,

The first day of school will be **Thursday, Aug. 1**. All students are asked to report to the gym by 8:30 a.m. for an all-school program.

***GCHS Main Offices will be closed from June 28 at noon until July 18 at 8 a.m.***

### Registration/Student iPad Distribution:

Students will be assigned an iPad this year as we continue Digital Learning. **Students will need to be registered in PowerSchool before coming in to pick up their iPad at their assigned time. Online Registration will open in PowerSchool by noon, Monday, July 16, and this process must be done prior to your student’s iPad distribution. UPON LOGGING IN TO THE POWERSCHOOL PARENT PORTAL FOR REGISTRATION, PARENTS MAY BE PROMPTED TO CHANGE THEIR PASSWORD.** It is important that you carefully check all areas of Online Registration to ensure your information is current for school use. If you are unable to register prior to your iPad distribution date, parents may register at the beginning of the distribution process at GCHS in the Cougar Cafe. **Only parents of incoming freshmen and new students are required to attend iPad distribution.** Students and parents are also welcome to tour the building after getting their iPad. Locker and locker combination information is available in PowerSchool in the same window as your schedule. If you are unable to receive your iPad on the assigned dates, please contact Brent Oliver via email at [boliver@gcsc.k12.in.us](mailto:boliver@gcsc.k12.in.us).

### Information from the Counseling Office -- Naviance Student

The Greenfield-Central High School Counseling Office is happy to announce that GCHS families will continue working with the Naviance Student program through Naviance during the 2019-20 school year. Naviance Student provides students and their families one place to go for all of their college and career planning, application and transcript processes, as well as scholarship information. We use it exclusively to track college applications for our seniors. It also allows us to target and message specific sets of students who may be eligible for specific programs and scholarships based on their interests and applications. All students and families will love how easy it is for our students to take career interest and learning style assessments, as well as how to explore different colleges and career paths based on those results. We are excited to have this opportunity with all of our students and their families. We will be demonstrating how to use the Naviance Student website throughout the school year beginning during our registration week. If you are interested in learning more about this program over the summer, however, please visit

## Important Items of Note:

### Class Selection Information:

**Schedules will be official August 1, the first day of school.** School counselors will still make adjustments as needed to schedules until the first day of school. *Schedule changes will only be made if there was a mistake or if graduation requirements are affected.* Please contact the Counseling Office at [ajones@gcsc.k12.in.us](mailto:ajones@gcsc.k12.in.us) if this is the case. ### ECA/Athletic Participation Forms Online

GCHS uses an online forum for registering your student to participate in athletics/extra-curricular activities. All students should visit <https://greenfield-central.rankonesport.com> to access the required forms.

You will need your student ID Number in order to complete the form. There are four forms listed on the website (you will only need to complete one form based on your student's school/activity level):

1. Greenfield Central High School Online Signature Form (High School athletes)
2. Greenfield Central Junior High School Online Signature Form (Junior High School athletes)
3. Greenfield Central Junior High School ECA/Clubs Online Signature Form (Junior High ECA/Clubs)
4. Greenfield-Central High School ECA Online Signature Form (for those not in athletics but involved in Band or any other Extra-Curricular Activity, as well as those planning to park on school grounds)

Please complete the correct form for your student's activity. If you compete in Athletics, you will need to complete the Athletic Form; if you participate in ECAs or plan to park on school grounds, you will need to complete the ECA form. Once you've completed the form, you will receive an email confirming the form has been received and accepted. You do not need to contact the office for confirmation.
