

PSAT/NMSQT

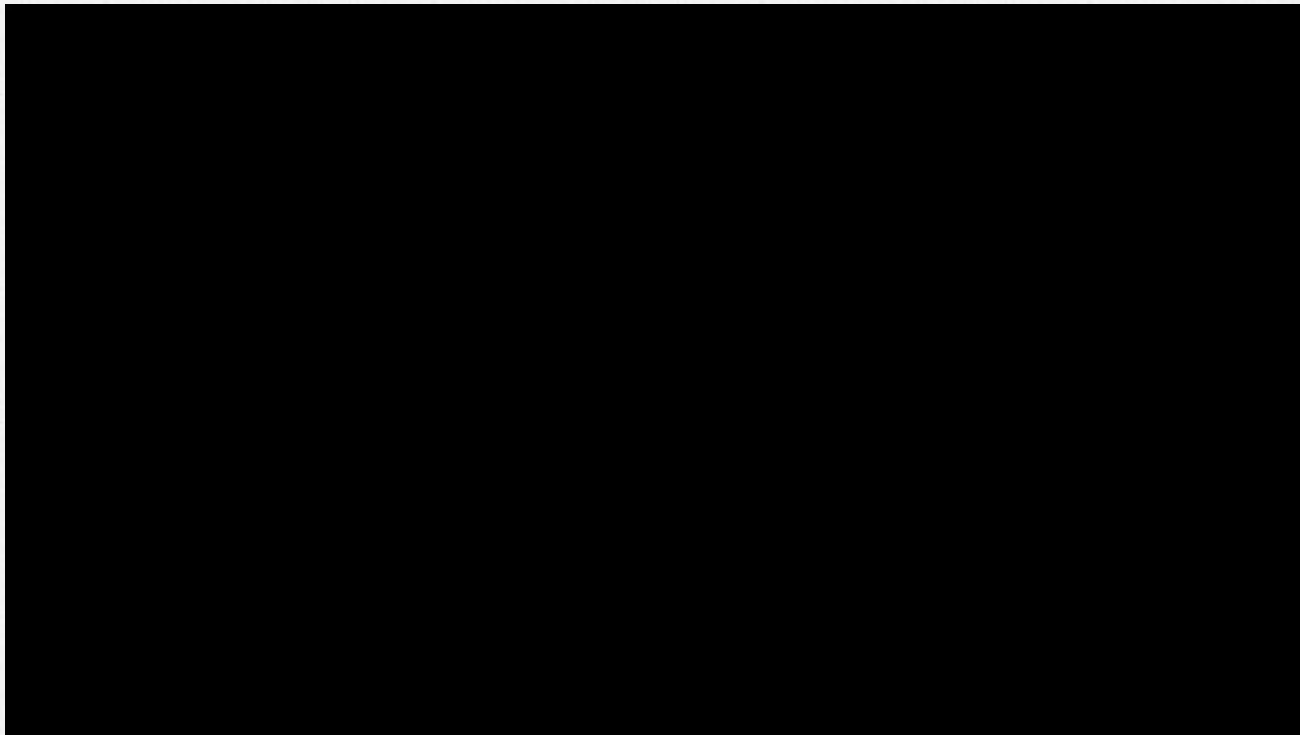

Understanding Your Scores & Taking the
Next Steps

How to Read the Score Report

Review the score reports we've shared with you to get a basic understanding of where you are.

Go online to view your reports in order to get the most information: color-coded score reporting, AP Potential information, and detailed information about your strengths and areas of need.

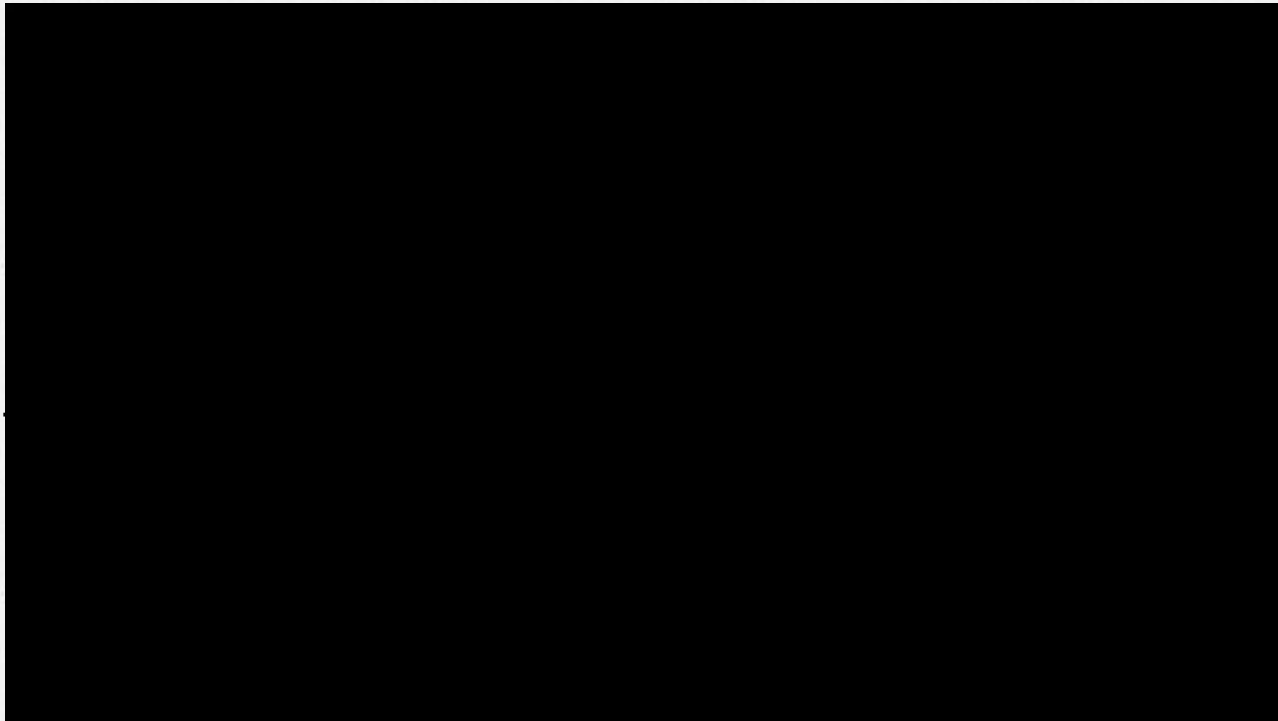

How to Read the Score Report

Want Personalized Help?

Go to satpractice.org to link your PSAT scores to Khan Academy and you will receive personalized practice in the areas you need help.

Want Personalized Help?

Your Next Steps

- o Visit studentscores.collegboard.org and review your test results in color.
- o Check for your AP Potential in order to plan for next year's schedule.
- o Connect your PSAT scores to Khan Academy for SAT practice (khanacademy.org/sat)
- o Take practice exams, scan your answers, and get immediate feedback on how you scored.
- o Register for the SAT or the ACT exam.
