

Greenfield-Central High School

Driving/Parking Agreement 2022-2023 School Year

1. Vehicles should always be locked and secured while on school property. Students should take care to ensure that valuables are not left unattended in their vehicles. The school is not responsible for stolen items or damage to vehicles while parked on school property.

2. Greenfield-Central High School reserves the right to tow any vehicle, at the owner's expense, that is illegally parked in violation of school rules/policy or that has been left unattended for more than 24 hours. Vehicles parked on school property without proper registration or identification (parking permit) may also be towed at the owner's expense.

3. Failure to obey driving and parking regulations on school grounds may result in a disciplinary action such as Tuesday School, Thursday School, suspension, or loss of driving privileges.

4. You are expected to display your parking permit from your rear view mirror. Parking will be on a first come/first serve basis. There will be no assigned spots. If you do not have a parking permit and you are parked in the parking lot, you will be assigned a consequence and/or towed.

5. Students who park on school grounds agree to and understand that an inspection/search of vehicles parked on school grounds may be conducted if a dean of students, assistant principal, principal, assistant superintendent, or superintendent have reasonable suspicion to believe that an inspection is necessary to prevent, impede, or substantially reduce the risk of:

- a. Interference with school purposes or education function.
- b. A physical injury or illness to any person.
- c. Damage to personal or school property.
- d. A violation of state law or school rules.

The following are examples of circumstances justifying the search of a car parked on school property:

- Reasonable grounds to suspect that a student is in possession, using, transmitting, or under the influence of any narcotic drug, hallucinogenic drug, amphetamine, barbiturate, marijuana, hashish, alcoholic beverage, look-alike, counterfeit substance, controlled substance, or intoxicant of any kind.
- Reasonable grounds to suspect that a student is engaging in the selling of a controlled substance or other violations of criminal law which constitutes a danger to other students, or constitutes an interference with school purposes or an educational function.
- Where a student's violence or threats of violence creates a reasonable belief that weapons may be stored in a student's car.

Student's Signature: _____ Date: _____

Parent's Signature: _____ Date: _____

Tag Number _____

**Greenfield-Central High School
Student Car Registration
2022-2023 School Year**

Driving/Parking Regulations:

1. All students will receive a numbered parking tag. Parking will be on a first come/first serve basis. Parking spots will not be assigned.
2. Students must park in areas designated as **student** parking. **No parking in staff parking areas on the east, west, or south sides of the building.**
3. Students must properly park between the lines of parking spaces.
4. Students must observe a speed limit of 15 MPH.
5. Students must observe all safety regulations as established by the State of Indiana and local ordinances related to the safe operation of a vehicle.
6. No smoking on school grounds. The Greenfield-Central smoking ban includes smoking in vehicles while parked on school property.

Driving to School in 2022-2023?

Where and How to Purchase Your Parking Permits at G-CHS

If you are going to be driving to school this fall, or will be getting your license at some time during the school year 2022-2023, you need to **be aware of how to get your parking permit for your car**. If you **currently** have your license, fill out the enclosed parking forms and bring them with you, along with a check made payable to G-CHS. Parking permits are **only \$20.00**. **These forms will be turned in during lunch in the cafeteria. There must be a parent and student signature on the form, or you will not be able to purchase a parking permit.** If you will be getting your license during the school year, you may fill out the papers and purchase a parking permit in the Treasurer's Office **at that time**.

If you are going to be driving to WCC (Walker Career Center) you will need their parking tag in addition to a GCHS parking permit. WCC tags will be purchased at Walker Career Center.

Starting in 2020-2021 school year: students began purchasing one parking permit that will last the rest of their high school career. You will no longer have to purchase a new tag every year.

The deadline for having parking permits this year will be Friday, **August 19, 2022**. By this date, the G-CHS Administration expects every current student driver to have their parking permit on their car. **Parking permits need to be hung from your rearview mirror.**

Important Dates to Know:

- **August 2-19** – Registrations accepted (driving form)
- **August 22** - Parking is enforced. Students that do not have a parking tag will be given a consequence
