July 20, 2026

Dear GCHS Parent,

We are excited for the upcoming school year! Please take the time to read this letter carefully, as there are important items that will help ensure a smooth start to the new school year.

The first day of school will be **Monday, August 3, 2026**. Please continue to check your ParentSquare information and the GCHS and GCCSC Corporation websites for current information on the start of school.

GCHS Main Offices will open daily from 8 am - 3 pm beginning Monday, July 20, 2026.

Parents can complete registration online through the [ParentSchool Portal](#). Student schedules will be available beginning July 27, 2026. Schedule changes requested after the previously posted Google Classroom course change request window (May 18-June 7) will **only** be made if there is a mistake or if graduation requirements are affected. Student MacBook Information/Student Tours:

Student MacBooks will be distributed to all students on the first day of school during their Blue 1 class. Students who do not have a Blue 1 at GCHS should report to the library upon arrival on the first day of school to receive their device.

Device Insurance may be purchased each year for \$40. It may be purchased via EZ School Pay or by sending a check to the High School within the first week of school.

Welcome Back to School Night

GCHS will host Welcome Back to School Night on Thursday, July 30, 2026, from 5 - 7 pm. Students and families will have an opportunity to meet their teachers, open lockers, and tour the building.

Please note: schedule changes will not be made during this time.

Information from the Counseling Office -- Transcripts and Communication:

The GCHS Counseling Office works with GCHS families to assist with career planning, college applications, transcript processes, and scholarship information. Common Application and Parchment are used to track college applications and transcript requests. PARCHMENT will be used exclusively for transcripts for the 2026-2027 school year.

It is very important that families have current emails in PowerSchool and ParentSquare accounts so we can communicate with all parents and students.

Students and parents should join their cohort's Google Classroom, managed by the Counseling Office. **We post all important information for students in these classrooms.** This is also where the scholarship listing is housed.

The join codes for each grade level are listed below:

Class of 2027- ubv2sus

Class of 2028 - tff6bab

Class of 2029 - ycn3y5s

Class of 2030 - 333h5ciy
